

## REGIONAL DIRECTOR GUIDELINES – REVISED 2022

### ARTICLE I: Appointment.

#### Section 1

Regional Directors shall be appointed by the NHPA Vice President in charge of RDs, based upon the selection and recommendation of the Charter officers. (See Article VI, Section 2)

#### Section 2

In Charters where this applies, Assistant Regional Directors shall be appointed by the Charter Regional Director who will then notify, in a timely manner, the NHPA Vice President in charge of RDs of this appointment.

#### Section 3

Regional Directors shall be directly responsible to the NHPA Vice President in charge of RDs and shall perform those activities requested by this Vice President, as well as other duties described in this document.

### ARTICLE II. Duties/Requirements

#### Section 1

Regional Directors shall be responsible for entering all of your Charters scheduled Sanctioned events that have been approved by the officers of their affiliated charter into eShoe. It is your responsibility as a Regional Director to obtain an eShoe User ID and Password from the NHPA Secretary Treasurer. The Regional Director shall then deliver, send electronically via email, or mail the completed tournament sanction certificates, along with the required tournament patches and a copy of the RGS Book, to the designated Tournament Director. If mailed, these materials should arrive at least one week before the tournament begins. The directors of events that are denied a sanction number may appeal this decision, in writing, to the NHPA President, so long as a copy of this letter is also sent to the Regional Director. In such cases, the ruling of the NHPA Council shall be final.

#### Section 2

The issuing of a sanction certificate certifies that during any NHPA sanctioned tournament, all NHPA rules will be enforced, sanctioned horseshoes will be used, all participants are current NHPA members, and the horseshoe courts are fully or conditionally sanctioned (see RGS Book, pages 34 – 35, Section A, Sanctioning of Courts). Sanction numbers shall be assigned by eShoe as follows: The first two digits denote your charter, the second two digits denote the year, and the third three digits denote the numbering sequence for that year. Example for the year 2022: The first tournament in region 1 would be 01-22-001; the second would be 01-22-002, etc. A Token # is also assigned by eShoe at the time the event is entered into eShoe and Saved. The Token # should be written on the Sanction Certificate issued for that event. The Token # is required by HSMaster at the time the results file is submitted to eShoe.

NOTE: If a court complex has not been or cannot be conditionally or fully sanctioned by the Regional Director, a tournament sanction number cannot be issued by the Regional Director unless a temporary waiver has been requested and granted by the NHPA Vice President in charge of RDs.

### Section 3

The Regional Director is responsible for sanctioning all new or updated court facilities when the construction or update is complete. The Regional Director is also responsible for sanctioning or re-sanctioning all court facilities in the charter. This must be done every fourth year, commencing with the year 2007, then 2011, 2015, etc.

### Section 4

Regional Directors shall report at least semi-annually to the NHPA Vice President in charge of RDs, summarizing all regional activities. Copies of these reports shall also be mailed to the Charter Secretaries in their region.

A full calendar year must be completed to receive this compensation. Any exception must be approved by the NHPA President and NHPA Vice President in charge of RDs.

### Section 2
