DAY 3 July 13, 2022

Juniors & Cadets Doubles Warm-Up Tournament

Ben Webb, interim junior director, wanted to create a fun activity for the Cadets and Juniors before their competition begins on Thursday afternoon. As a way to get the kids excited and ready for competition, Ben decided to invite the kids to have a Doubles Tournament in the arena on Wednesday evening after the regular sessions had completed for the day.

This event also served as a great opportunity for fellowship and meeting new people. There are several here this year that have never attended a World Tournament before and this year is their very first experience. It has been a year since some of these cadets and juniors have seen each other, and for some longer than 2 years. It's great to see familiar faces again.

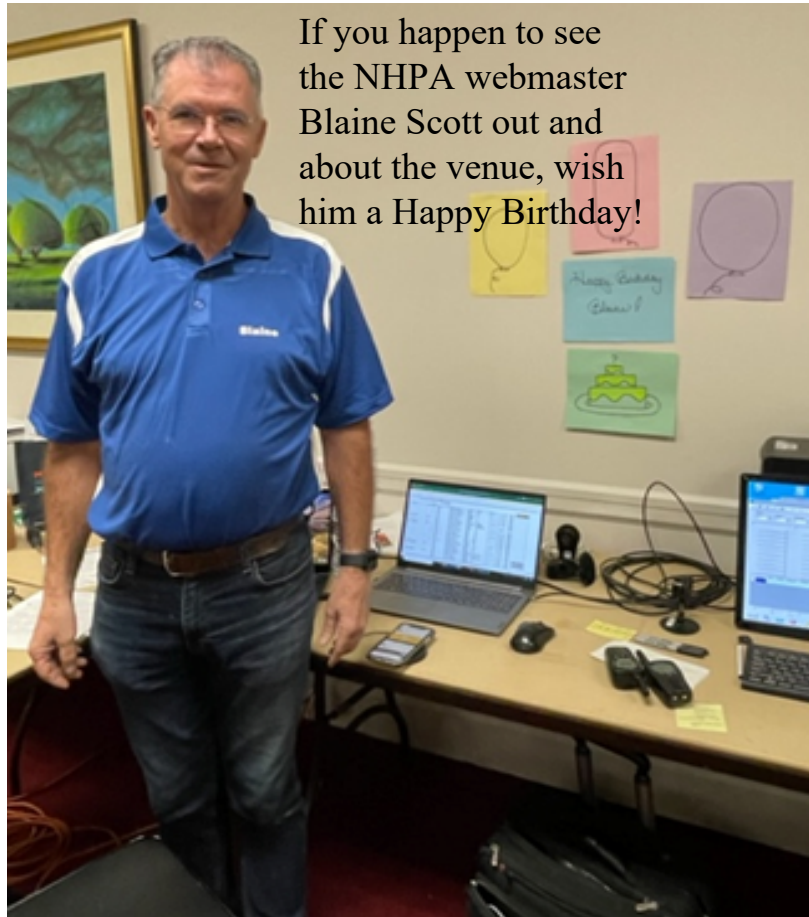

OUR FOREIGN HORSESHOE FRIENDS HAVE RETURNED

Sports is about participation. It brings individuals, communities and countries together and, in doing so, often bridges cultural, ethnic and national divides. But when COVID-19 became a serious health risk, it took a heavy toll on the world of sports, both in the professional and in the recreational spheres. Many sporting events were postponed or canceled due to the risk of mass gatherings. Now that border restrictions have lifted in several countries, we are glad to see the return of our foreign friends to the NHPA World Horseshoe Tournament. In attendance this year are participants from South Africa, Germany, Sweden, Canada, and Norway.

NHPA WEBMASTER - BLAINE SCOTT HAPPY BIRTHDAY

If you happen to see the NHPA webmaster Blaine Scott out and about the venue, wish him a Happy Birthday!
